

Case 14-2

REMARKS

Applicant submits this amendment in response to the Advisory Action dated 7/15/2004 and a telephone conversation with the Examiner on 7/21/2004. In the telephone conversation, the Examiner indicated that entry of the amendment would be allowed provided that the same number of claims as in the original application are presented and that newly added claim 14 is rewritten to include the limitations of claim 2.

Accordingly, applicant has canceled original claim 2, and amended the sole new claim 14 to include the limitations of claim 2. Therefore, applicant respectfully requests that the amendment be entered and submits that Claims 1,3-14 are in condition for allowance.

Respectfully submitted,
